Legendary UK positive punks The Danse Society have recently reformed and are about to release an album of 13 new songs. While the release date is to be announced, the title of the record will be *Change Of Skin*.

And it's an aptly titled record because the group now has a female vocalist - **Maeth Allsop**. She replaces original vocalist **Steve Rawlings**. The new lineup is Guitarist **Paul Nash**, Keyboard player **Dave Whitaker** and Drummer **Paul Gilmartin**. On their website, the group promises "*big layered songs of emotion and glory.*"

Also, The Danse Society are going to release **Demos Vol.1 - The Heaven Is Waiting Demo Recordings**. As the title suggests, fans will find the original and raw recordings of the 1983 released album, **Heaven Is Waiting**. The album will be available on vinyl, CD and download. Release date is to be announced. **ate is to be announced, the title of the record will be *Change Of Skin*.**
